

GAA is seeking nominations for the Georgia Angus Spring Sale
Saturday, March 4, 2023
In Conjunction with Barnett Angus Farm's Spring Sale

Requirements for Participation

1. Each consignor must be a member in good standing of the Georgia Angus Association.
2. Priority on consignments: 3 in 1 packages (cow with a newborn calf at side or cow soon to calve along with yearling heifer); and cow with weaning age heifer calf at side. Cows with bull calves and excellent quality bred or open heifers will also be accepted. No single bulls may be consigned. It is strongly suggested that cows be A.I. sired with A.I. calves by side.
3. Maximum age on cows is 7-years-old.
4. Heifers born prior to October 1, 2021 must be examined safe in calf.
5. Cows with calves by side born prior to January 1, 2023 must be rebred and examined safe in calf if time permits.
6. Frozen embryos and pregnant recipients from very select matings of superior quality and a limited amount of rare semen will be accepted at the discretion of the committee.
7. Cattle will be screened prior to the sale - usually in January. Consignors will be notified of the screening schedule prior to any visits.
8. Selection of cattle will be based on type and depth of pedigree. Quality, performance and EPDs will be the number one priority.
9. To secure your space in the sale, a nomination fee of \$100 per lot is required for the sale. This fee will go towards the consignor's sale expenses. Please send check payable to the GAA with nomination form.
